### About Me:

I am a career oriented woman, affectionate, honest, sincere, and won't settle for less. I love the

outdoors, staying in shape, camping, Sushi, fine dining, shopping (what woman doesn't) dancing, singing kereoke, and cuddling, movies and just staying home with a good man cuddling by the fire watching a good movie.

#### About You:

I am looking for a man that is IN shape, handsome of course, well dressed but sexy when he is scruffy, smells good (cologne) taller than me when I am in heels, sincere, honest, loves kids and animals, career oreinted, he must love the outdoors and want to spend time with me. No head games and no beer bellies need apply.

Some of the qualities I am looking for in a man are that you should be from Indiana and you must be between the age of 36 and 46. I am mainly looking for friends, someone to date.

If this sounds like we're a match please [send me a message](#) or [send me a virtual gift](#).
